

OUT OF BOUNDARY POLICY

Changes in the DLL policy for out of boundary players have been necessitated by the growth of the league and corresponding limitations in the availability of fields and coaches.

DLL encourages all players to register with the league associated with their specific neighbourhood so they can enjoy the added benefits of meeting neighbourhood children and being eligible for Little League tournament play, which is offered only to in boundary players, as per Little League rules.

No out of boundary applications will be accepted for Majors due to limitations in available spaces.

Out of boundary registrants will be placed on a waiting list until in boundary registration is complete in early March. If you proceed with the online registration and you are an out of boundary applicant, please note that your credit card will be charged at the time of online registration. If a spot is not found for you after being waitlisted, you will then be refunded following the refund policy.

If you wish to be waitlisted without the online charges please send an email to registrar at dunbarbaseball.ca with your child's name, address, division requested and date of birth.

If your child is out of boundary for DLL (see below), please contact the Jericho, Kerrisdale or Little Mountain Little Leagues for information on registration.
