BEFORE AND DURING GAME (arrive 20 minutes before game start):
- Open window shutter of scorekeeping hut
- Collect batting line-up from a coach for each team
- Enter jersey number and name for each player for both teams in scorebook lineup column
- Use a pencil (not a pen)
- Pay particular attention to the strike and ball count (the umpire expects this)

AFTER GAME
- Record the final score in the scorebook
- Close window shutter

Typical Scoring Examples
