

DLL Out of Boundary (OOB) Policy

Dunbar Little League has reached capacity. As a result, all out of boundary registrants will be placed on a waiting list until boundary registration is completed in late February.

To be considered in boundary, you must live within the DLL physical boundary or attend a school that is within the boundary but live outside of the boundary. These schools are Queen Elizabeth Elementary, Kitchener Elementary, Southlands Elementary, Immaculate Conception, and St. Georges.

The physical boundaries for DLL are:

NORTH 16th Avenue South Side

EAST West side of Puget drive, south to 33rd, north side of 33rd to Blenheim, west side of Blenheim to the Fraser River

SOUTH Fraser River

WEST Camosun Street, including King Edward Place and Musqueam.

No out of boundary applicant will be accepted for Majors due to limitation in available spaces.

Our Online Registration has a OOB waitlist section. Indicate you are out of boundary and you will be placed on the waitlist without any charges. For those who register and are out of boundary will have their credit card processed right away. They will be placed on the waiting list and if a spot **can not** be found for the player, then a refund will be sent less a processing fee of \$25. If you have a question before our in person information session please email the registrar at: registrar@dunbarbaseball.ca.

If your child is out of boundary for DLL (see below), please contact your in boundary league:
