# Who we are

Dunbar Little League started in 1958 and is one of the first little leagues in Canada. Each year 450 to 600 girls and boys between the ages of 4 and 12 participate in our league.

Our league is known and respected throughout Canada for its spirit of fair play and for offering girls and boys, regardless of their skill level, the opportunity to play baseball, have fun, and learn to love the game.

From April and June, Memorial Park transforms into a center of activity within the Dunbar community. Many families enjoy the warm spring evenings and hot weekend days down at the park. Some bring picnics and portable BBQs while many enjoy the legendary burgers and hot dogs cooked up at our famous concession stand.

Whether you're new to the Dunbar area or have been a resident for many years, Dunbar Little League baseball is a great way for girls and boys to have fun, meet new friends, and learn new life skills.
